

PRESS RELEASE

2021/2022 UNIVERSITY OF MALAWI SELECTION OF GENERIC NON-RESIDENTIAL STUDENTS

Council of University of Malawi (UNIMA) on 30th June, 2022 approved names of candidates who have been admitted into the University to pursue various generic programmes for the 2022/2023 academic year on non-residential basis.

The University wishes to inform the general public that the National Council for Higher Education (NCHE), under the coordination of the Technical Working Group deriving its membership from all public universities, called for applications from candidates to various programmes in all public universities including the University of Malawi. As a result of this, all public universities conducted their selection in a harmonised manner to avoid multiple selection of candidates. However, each university conducted its own selection in compliance with their respective Acts governing their operations.

With regard to the 2021/2022 selection, there were **14,083** eligible candidates which NCHE received to be considered for selection into all the public universities. Out of this group, a total of **7410** candidates have been selected to pursue various academic programmes in all the public universities.

Out of the **7410** selected candidates, UNIMA has selected **2012** candidates representing **27%** of the combined total of all candidates selected by public universities in Malawi.

The University further wishes to advise the selected candidates and the general public that opening arrangements for the 2022/2023 academic year shall be announced in due course.

The names of candidates admitted into the University of Malawi are as follows:

1. BACHELOR OF ARTS POLITICAL SCIENCE
